## 6. Detail Barang

The image displays two identical mobile app interfaces for the Redmi Note 14 5G, presented side-by-side. Each interface features a top navigation bar with a back arrow and the 'XIAOMI OFFICIAL STORE' logo. The product title 'Redmi Note 14 5G' is prominently displayed. Below the title, there is a section showing three phone variants (black, green, and purple) and a list of key features: '108MP AI camera system with OIS', 'Corning Gorilla Glass 5', 'MediaTek Dimensity 7025-Ultra', and 'IP64 dust and water resistance'. A price tag indicates 'NOW ONLY' with a crossed-out original price of Rp 3.699.999 and a current price of Rp 3.699.999. Below this, a banner reads 'Original' and '100% Original'. The main price is shown as 'Rp 3.599.999' on the left and 'Rp 5.999.999' on the right, both with a 'Terjual 999+' badge. The product name 'Redmi Note 14 5G' and a five-star rating are also present. A 'Pilih Varian' section shows two options: '6/128' and '12/512'. The '12/512' option is selected in both screenshots. The bottom navigation bar includes 'Chat', 'Keranjang', and a large orange 'Beli Sekarang' button.
